

Northumberland Learning & Skills Service
AUTUMN CONFERENCE
Tuesday 23 October 2018
The Fuse Media Centre

- 9.15 am Coffee
- 9.45 am Auditorium: Welcome – Michelle Stone & Pierre Dingley
- 10.00 am **Dr Kevin Burden**
Kevin is an international expert on the application and impact of digital technologies in learning. His research and work focuses on the transformational uses of mobile technologies in both formal but, increasingly, informal public spaces that include schools, colleges, universities, museums, heritage sites and the wider environment. Kevin leads international collaborative projects in mobile learning with partners, including the EU, the British Council and UNESCO. He is a visiting scholar at Hong Kong University and a distinguished visiting professor at the University of Technology, Sydney. Kevin is currently investigating the development and impact of next generation digital ebooks to support learning beyond the classroom.
